

**1st Conference on Regional Cooperation:
New Concepts and Approaches in Lymphoma
27 - 29 May 2022 Belgrade, Serbia**

Dear Patient,

The Lymphoma Patient Association- LIPA is pleased to announce the 1st Regional Conference “**Regional Cooperation: New Concepts and Approaches in Lymphoma**”. The event will be held between the 27th May to 29th May in Belgrade, Serbia. We hope it would create opportunities for networking, learning and the development of collaborative initiatives between the regional lymphoma clinical and patient communities.

Please **SAVE THE DATES – May 27th, 228th & 29th** and **[REGISTER HERE TO JOIN US AT REGIONAL CONFERENCE](#)**. This conference is a unique opportunity for patients and patient organisation representatives supporting lymphoma and CLL patients to:

- Learn about the disease, treatments and latest research from leading doctors;
- Hear from fellow patients on key topics, including awareness, education and drug access;
- Meet and network with others doing similar work, giving them the opportunity to discuss issues facing lymphoma and CLL patients.

Attendees will gain important knowledge that will help them improve their knowledge and support of other lymphoma and CLL patients in their communities.

The two-and-a-half-day conference will be conducted in Serbian with available English translation.

The LIPA, in close collaboration with patient groups from Balkan region, is working to ensure that the conference includes topics of importance to the lymphoma and CLL patient community and provides a unique opportunity for participants to share experiences and best practice. The goal is that attendees will be able to increase and/or improve their capacity to meet their needs and optimize their activities.

MEETING SCHEDULE (full agenda is available [here](#)).
